1.As a user, I want to view a list of book previews, by title and author, so that I can discover new books to read.

2. As a user, I want an image associated with all book previews so that I can recognize a book by the cover even if I forgot the name.

3. As a user, I want to have the option of reading a summary of the book so that I can decide whether I want to read it.

Inferno

Dan Brown (2013)

Harvard professor of symbology Robert Langdon awakens in an Italian hospital, disoriented and with no recollection of the past thirty-six hours, including the origin of the macabre object hidden in his belongings. With a relentless female assassin trailing them through Florence, he and his resourceful doctor, Sienna Brooks, are forced to flee....

4. As a user, I want to have the option of seeing the date that a book was published so that I can determine how easy it is to obtain second-hand.
